

# STRIPPING, CHIP & FINISHING BRUSHES

## STRIPPING BRUSHES

These brushes are highly durable and chemical resistant. Can be used effectively with any of our stripping products. The handle and bristle are constructed of polypropylene for long useful life.

- 32030 5" X 20" all purpose stripping brush (long handle)
- 32031 5" X 9" all purpose stripping brush
- 32032 same as 32031 but with hose adaptor (3/8" hose ID)

### STRIPPING BRUSH - STIFF BRISTLE

32034 same as 32031 but with stiff bristle for hot tank application.

### SCRUBBING BRUSH

2-1/2" x 6" grab-on block handle. Brushes and handle made of polypropylene for greater durability and resistance to methylene chloride.

32033

### COMBINATION BRUSH

32039 Combination brush: 1-1/2" X 7" polypropylene brush with 1/2" brass bristles on one end for corners and crevices

### SCOURING BRUSHE

Brass bristled brushes for hard to remove layers of paint. Polypropylene handle for greater durability and resistance to methylene chloride..

32037

### WIRE BRUSHES - HARDWOOD HANDLES

Stainless steel bristled brushes for removing paint out of wood grain.

- 32040 Long Handle
- 32041 Toothbrush size

### ALL PURPOSE ECONOMY CHIP BRUSHES

These inexpensive but practical brushes have hundreds of uses: brush finishing, staining, touch-up, hand stripping, gluing, etc. Choose from six (6) convenient sizes, all with wood handles.

- 98005 1/2"
- 98010 1"
- 98015 1 1/2"
- 98020 2"
- 98025 2 1/2"
- 98030 3"
- 98040 4"

### FOAM BRUSHES

Dense foam provides smooth and even applications. Never leave brush marks or stray bristles. Disposable and very economical. Highly recommended for brushing our EVERLAST™ Wood Finish, HYDROCOTE® brand finishes and stains, other water based finishes or oil-based polyurethanes. Not recommended for nitrocellulose lacquers or shellac. Sold individually or by the case. There is a significant cost saving between individual brushes and case quantity purchase. .

Size	Individual	Case Prod #	Qty Per Case
1"	33810	33710	48
2"	33820	33720	36
3"	33830	33730	36
4"	33840	33740	24
